ISSUE 1 – MAY 2008

WELCOME TO THE FIRST EDITION, our goal is to provide a quarterly newsletter that keeps you up to date on La Bella Vita at Playa La Jolla and happenings in and around Puerto Peñasco. As this is a community update any contributions, suggestions or comments would be appreciated (info@la-bellavita.com).

La Bella Vita

If you have been lucky enough to visit us lately you will have noticed a beehive of activity on the Estuary side of the Villas. The new infinity pool is close to completion. This year-round amenity area will include; showers, change rooms, lounging areas and a hot tub. All ground preparation for the new Bungalow Apartments has been completed. Construction on the first building is scheduled to commence this month with completion by the Spring of 2009. We have also finalized the plans for the Wellness Spa and Exercise Facility. These services will be housed at the rear of the existing amenity building. A date has not been set for the opening of the Spa, but a temporary facility for the Exercise Area will be available.

The current phase of development includes 24 Bungalow Style Walk Up Apartments and 8 Three Storey Townhouse Villas. Pre-sales have been going extremely well. To date 50% of the Bungalow Apartments have been pre-sold and there are several reservations on the Townhouse Villas. For additional information please contact our Sales Centre or info@la-bellavita.com.
